

# Boyett's Glass Bars

## 2009 Order Form

These high quality steel guitar bars are available in the following sizes: 3/4", 7/8".

All of our bars have a lead-filled center for better sustain. **We can no longer offer solid glass bars.**

The standard weighted glass bars have clear glass and weigh approximately 4-6 oz.

**only**

All bars have a round nose and a flat back with a slight indentation for your thumb.

**3/4" & 7/8" \$38.00**

Custom lengths available from 2 1/2" to 4" (or more) in 1/8" increments.

**each**

**Colors available:**

**Clear Glass (standard), Red, Blue, Black, Bright Green**

**Dark Green, Sand. Other colors also available.**

**Solid colors are included. (up to three) Custom orders extra.**

Please call or email us if you have any questions.

**All prices include shipping (USA only)**

Please contact us for other countries

**NO COD'S**
